

**SESSION INFORMATION:**

<b>Session Number:</b>	6B
<b>Date / Time:</b>	March 14th, 11:30am to 12:55pm
<b>Session Title:</b>	“Biofuels Make Inroads: Ethanol and Biodiesel Lead the Way”
<b>Session Description:</b>	The Badger State’s rapidly-growing biofuels industry helps enable the nation to rely less on the Mideast and more on the Midwest for its transportation energy needs. Fleet, industry and academic representatives will discuss the state-of-the-art in biofuels use and development.
<b>Moderator:</b>	Francis X. Vogel
<b>Moderator Affiliation:</b>	Executive Director, Wisconsin Clean Cities
<b>Moderator E-Mail:</b>	francis.vogel@we-energies.com
